

### 78. JUNE LOVELY JUNE

### 79. SWEET BETSY

Cowboy Song

NEW IDEA

KEY SIGNATURE

Each major key has a relative minor key. The same key signature is used for both keys. The relative minor scale uses the 6th tone of the major scale for its starting note. There are three forms of the minor scale: natural, harmonic, melodic. This is the key signature for d minor. It is the same as F Major because d minor is the relative minor to F Major.

### 80. D MINOR SCALES AND ARPEGGIOS

★ Refer to pages 44 and 45 for other bowing and scale possibilities.

### 81. D MINOR TRAINER

★ Also play line 80 with the following bowing:

### 82. VOLGA BOATMAN

Russian Folk Song
