

Strings Extraordinaire!

Performance Ensembles – A Multi-Level Approach

EDITED BY ROBERT S. FROST

Strings Extraordinaire! is a progressive collection of classical, traditional, folk, and original performance pieces which provides a quality musical experience for students of different playing levels. Each piece is scored with an advanced, (A), and beginning, (B), part for violin, viola, cello, and bass. The violin/viola and cello/bass parts are correlated for ease in teaching. An optional piano accompaniment part is also provided. The pieces found in **Strings Extraordinaire!** were selected for their suitability for programs early in the school year, during the mid-year and holiday season, and those culminating with end-of-the-year concerts.
