## PERFORMANCE ASSESSMENT AND REFLECTION IN CHORAL ENSEMBLES

\_\_\_ W70 .....\$10.95

How is achievement - the choir's performance - usually assessed? By how well the ensemble performs at the concert, of course! This user-friendly resource discusses assessment, feedback, and reflection to improve both individual and ensemble performance. Included are seventeen duplicable forms to help you provide individual feedback and help students reflect on their work throughout the year - in rehearsals, following concerts, and at the end of the year.

## THE REHEARSAL

A QUICK GUIDE TO ONE MUSIC TEACHER'S MOST POTENT RETENTION TOOL

by David Newell

The **Rehearsal** is the music teacher's most powerful retention tool. Musically performed and well attended concerts, memorable trips, trophies, superior ratings at adjudicated events, the sense of camaraderie—all of these play important parts in student retention in our performance ensembles. But they are probably not the pivotal elements. Rather, what happens during each and every rehearsal is the master key that unlocks the box labeled "Student Retention."

Educator David Newell, author of the critically-acclaimed "Classroom Management in the Music Room" and "Teaching Rhythm," shares strategies that reveal how music teachers can help students make beautiful music during every rehearsal—not just during special events.
