PERSPECTIVES

Six Pieces for Piano

For my mother, Carol Snell Cyr

The six pieces in *Perspectives* were written between May and July of 2020, during a period of intense quarantine in response to the COVID-19 epidemic: a time when we all gained new perspectives about our daily lives. Separated from friends, family, piano students, and many normal daily activities, my thoughts turned inward for self-reflection, as well as outward to the challenges facing the entire planet.

I hope you will like playing these pieces, and that you always experience the joy and satisfaction of expressing your own perspectives through music at the piano.
