

# Minor Chords

Any Major chord becomes **minor** when you lower the middle note one half step.

|   |    |   |    |   |    |
|---|----|---|----|---|----|
| C | Cm | F | Fm | G | Gm |
|   |    |   |    |   |    |

41. Draw a minor chord after each Major chord.  
Use whole notes. Play these chords.
