BEST IN CLASS

COMPREHENSIVE
RECORDER METHOD
by Bruce Pearson

Dear Accompanist,

This book provides simple piano accompaniments to all of the musical exercises in the **BEST IN CLASS Comprehensive Recorder Method**. They are designed to help the recorder player keep a steady pulse and to reinforce the melodic line when necessary. Chord symbols are included for guitar players, and a handy "Chord Locator" chart is provided at the back of this book for easy reference. Whether used in the classroom or at home, these accompaniments will help the recorder student develop musical skills and discover the joy of playing music with others.

Best wishes!
