Accompaniment Recordings *KSPC Book 1, Units 1 and 2.*

- Students can stream the accompaniments from the **Kjos Multimedia Library** on any device, such as a computer, phone, or tablet.
- The accompaniments are also notated on pages 110-116 of *Book 1* so that they may also be played as duets with a teacher or other more experienced pianist.

Practice Play-Along Recordings *KSPC Book 1, Units 3-10, and KSPC Book 2, Units 1-10.*

- Digital piano recordings of the music in the course for playing along with as a practice tool for checking note and rhythm accuracy, maintaining a steady tempo, and making dynamic contrasts.
- Each selection is recorded at two different tempos: slow practice, and performance tempo.
- The support of playing along with these recordings builds confidence and security as students learn to listen critically and self-assess.

YouTube Performance Demonstration Videos *KSPC Books 1 and 2.*

- Acoustic piano videos of all the music and technical exercises in both books provide examples of how the music should *sound*, and how the fingers, hands, and arms should *look* when playing.
- A picture is worth a thousand words when it comes to building a good hand shape and fluent piano technique.
