SOLOS

19 SOLOS FOR INTERMEDIATE STRING PLAYERS

Welcome to **String Basics™ Solos Book 2**, featuring 19 solos for recitals, festivals, informal gatherings, or just for fun! This collection includes a mix of classical themes, folk songs, and original solos by Jeremy Woolstenhulme. Also included in this solo series are piano accompaniments, composed and recorded by Kirt Mosier. A piano accompaniment book is available separately and recorded tracks are available for download by using the **Kjos Interactive Practice Studio (IPS)** at www.kjos.com/ips. Each solo includes two tracks. The first track is a complete performance of the solo performed by a professional violin, viola, cello, or bass soloist with piano accompaniment. The second is the accompaniment-only track provided for play-along opportunities. The tempos selected for the piano tracks match the metronome indications printed alongside the tempo markings. For more details regarding the **Interactive Practice Studio**, refer to the Inside Front Cover.
