A PRACTICAL GUIDE TO CHORAL CONDUCTING

by Bradley Ellingboe

___ VM18\$24.95

A Practical Guide to Choral Conducting was written especially for conductors who are still fairly new to the profession. Potential readers might have only recently been put in charge of a choir or choral class, but are not necessarily trained as a choral conductor. Others may find this suitable for use in an undergraduate or graduate choral conducting class. Still others may find insight that enhance their existing choral profession.

PERFORMANCE ASSESSMENT AND REFLECTION IN CHORAL ENSEMBLES

___ W70\$10.95

How is achievement - the choir's performance - usually assessed? By how well the ensemble performs at the concert, of course! This user-friendly resource discusses assessment, feedback, and reflection to improve both individual and ensemble performance. Included are seventeen duplicable forms to help you provide individual feedback and help students reflect on their work throughout the year - in rehearsals, following concerts, and at the end of the year.
