

THE GROUP 2 KEYS

Group 2
Keys of D, A, E
Memorize

The Group 2 Keys (D, A, E) have a BLACK KEY UNDER THE MIDDLE FINGER and WHITE KEYS ON EITHER SIDE in their I or tonic chords. E is underlined because it is the unusual key in this group. The five finger position in E has TWO black keys under the 2nd and 3rd fingers in the Right Hand, and under the 3rd and 4th fingers in the Left Hand.
