## 20 WARM-UP - Band Arrangement

▶ Play the eighth notes by shaking the Tamb. with a back and forth fanning motion. Strike the Tamb. against the heel of your free hand on the accented notes.

## 21 TECHNIQUE BREAK

▶ Place the W. Blk. on a soft, flat surface and play with two mallets.

## 22 THE BRITISH GRENADIERS

English Folk Song

▶ To create stick clicks (🖔), strike the shoulder of one mallet against the shoulder of the other. This technique is also called tap sticking.

- ▶ Play each pattern several times. An "X" indicates a cross sticking. Always cross over rather than under the other hand. Practice at a variety of tempos.
- Also play patterns C-F without cross sticking by shifting both hands quickly from drum to drum at the point where the cross is indicated.
