

Dot • To • Dot Delight

By Lisa Bastien Hanss

Dot-to-Dot Delight is an entertaining note review for students who have mastered the notes on the staff. It may be given as a reward for accomplishing this goal. This book is a more challenging sequel to *Dot-to-Dot Note Speller*.

Directions

1. The illustrations include notes on the staff. Write the correct letter name inside each note.
2. Find each note on the piano in the order of the numbers next to each note.
3. With pencil, connect the notes (dots).
4. Color the finished design. Trace your pencil line in color to highlight your artwork!
5. Make up a title for each page, or choose from the following titles, to best describe your finished picture.
