A DEBUT FOR YOU

Book 4

TO THE PIANISTS

If you are preparing for your first performance in a special situation, then you will be making your debut. *Debut* is a French word, pronounced *day BYOO*.

Maybe you've already had your debut playing for other students of your piano teacher, but we hope you will have many more debuts in your life—perhaps playing for your class in your school, or for your grandparents, or for parties.

We hope that you will love playing these pieces whether it's for a debut or not!
