## PREFACE

*Beginning Scales & Chords* provides an introduction to the C, G, and F Major scales and primary chords. Scales and chords are presented in a step-by-step progression of exercises, hands separately followed by hands together.

This book may be utilized as early as Level 1 of **Bastien Piano Basics**. It may also be used with any other piano method at a similar level. We offer you our best wishes for success with *Beginning Scales & Chords*.

Sincerely,  
*Lisa and Lori Bastien*
